

Tournament Participation Report

This form must be completed and submitted to the tournament manager before bowling.

For Tournaments Using Last Season Averages for Entry Purposes

(To be reported as of date of bowling unless rules for tournament state otherwise.) (Ref. Rule 319a, Item 2)

1. Is your current high USBC league average for 21 or more games higher by 10 or more pins than last season's high average for 21 or more games?

Yes No

If "Yes," you must use the current high league average.

2. My entering average for this tournament is .

For All Tournaments

(To be reported immediately prior to bowling.) (Ref. Rule 319d)

1. Have you won \$600 or more in any tournament event in the past 12 months? This includes all tournaments which have ended prior to your participation in this tournament even though the prize payment has not been received.

Yes No

If "Yes," list name(s) of tournament(s), scores, position(s) and amount(s) won on reverse side.

(To be reported immediately prior to bowling.) (Ref. Rule 319e)

2. During the past 12 months have you bowled 21 or more tournament games:

Yes No

If "Yes," was your average for all such tournament games higher by 15 or more pins than your entering average for this tournament? Yes No

If "Yes," you must use an adjusted average as calculated under Rule 319e procedures. The bowler assumes total responsibility for submission of correct adjusted average. Failure to do so shall be cause for disqualification.
