Creating Safety through Integrity, Vision and Technology

NCSI's Mission: To serve as a leading resource in an overall effort to eradicate harm to youth in organizations and communities across the globe through increased awareness, the creation of national standards, and the integration of fully-managed background screening programs.

- The programs and services of NCSI directly reduce the incidence of harm to children and protect youth-serving organizations from child predators. Our shared goal is the overall eradication of child abuse and molestation.
- NCSI's background screening programs are recognized as the "Standard of Care" in the youth-serving industry.
- NCSI was formed in partnership with the National Council of Youth Sports (NCYS), with the goal of significantly increasing the level of safety for our youth.

NCSI's Focus: We offer a ground-breaking approach to background screening that focuses efforts, systems, and expertise on seven identified risk factors to help client organizations meet due diligence.

- Organizational Policies
- Selection of "Best-in-Class" Background Check Providers
- Procedures and the Application/Screening Process
- Subject Verification
- Interpretation of the Results, including "Red Light/Green Light" according to the NCYS *Recommended Guidelines*©
- Fair Credit Reporting Act (FCRA) Compliance
- Confidentiality/Record Storage Issues

About NCSI:

- NCSI is the country's leading resource for background screening services for non-profit and youth serving organizations;
- NCSI is 100% focused on helping organizations who serve Non-Profits, Youth and Vulnerable Populations;
- NCSI handles the screening process from start to finish ensuring the safety and confidentiality of information;
- NCSI's systems are state of the art and designed to ensure the highest level of security;
- NCSI is the choice of many of the greatest, most reputable sports organizations in the world including the United States Olympic Committee, USA Gymnastics, USA Football, US Ski & Snowboard, US Figure Skating and others. USBC's background screening program with NCSI is modeled similarly to many of these organizations.
