

POLICY EXCEPTION

If you have graduated from high school and do not participate or will not participate in a college-level varsity sport, an exception to parts of the SMART Recipient Scholarship Use Policy may be granted. To apply for this exception you must sign the declaration found at the bottom of this form and return it to SMART. Once SMART receives your signed declaration, you will be notified if the exception has been granted and, if granted, you may follow the exception policies as set forth below. If a signed declaration is not on file with SMART, the Recipient Scholarship Use Policy (Appendix 5) will be followed.

Use of Funds

Your scholarship funds are approved for the following: tuition fees, textbooks, meal plans, housing plans and required class supplies and equipment necessary for the successful completion of a course or program (including a computer system) at universities, colleges, business schools, technical schools, trade schools, vocational schools and continuing education courses, bowling camp or lessons, bowling coaching seminars. Funds disbursement, after final review and approval, may be paid directly to the institution or reimbursed to the recipient.

Scholarship funds **may not** be used for the following: transportation expenses (including parking permits), clothing expenses, non-bowling sport camp or lessons, non-bowling coaching seminars, sports equipment or supplies, private tutors' fees and elementary or high school tuition and/or fees.

Disbursement Requests

To request disbursement of your scholarship funds, go online to members.bowl.com/SMART and log into your account. At the bottom of your account page, click "**Create Request.**" Instructions to complete the request are contained in the "**Users Guide**" located in the upper right side of your account page.

When you create your request if you select "Reimbursement" or "Reimbursement to Parent," **you must** send detailed valid documentation of your out of pocket expenditure(s), i.e.: cash register receipt and/or any other documentation that may be requested by SMART. If it is determined that the documentation provided is misleading or false, the matter will be turned over to the USBC Rules department for appropriate action.

Declaration

The SMART Recipient Scholarship Use Policy was written to comply with college-level varsity sports rules and protect an individual's eligibility.

If this exception is granted, accepting reimbursement of expenses may render you ineligible to compete in college-level varsity sports. Before signing this declaration, please consider the implications this may have if you decide later to participate in college-level varsity sports.
