

Classified/Booster champions

(The Booster Division began in 1916. Until 1936, teams in the division were confined to the host city area. In 1937, the division opened to all teams, and champions formally were declared. In 1999, the name of the division was changed to Classified and doubles, singles and all-events champions were crowned for the first time).

CLASSIFIED/BOOSTER TEAM					
Year	Winner	Games			Series
