Jr. Gold Shipping Guidelines

If you have any questions during this process, please call the UPS Store at 317-574-0570.

Do not ship bowling balls in bowling ball bags. Two ball tote bags are exempt from this rule. All shipments must be in cardboard boxes. Do not use packing peanuts for shipping protection. Bowling balls need to be in separate boxes from the bowling bags. All bowling balls need to be placed in a two box system to protect them from damage during shipment. Get a box that best matches the size of your ball bag. Visit your local pro shop for empty boxes.

To Utilize UPS Ground Service, ship 4-6 business days before your Squad.

Drop off all packages to your local UPS Hub or UPS authorized store. There will be a charge for boxes and cushion materials purchased from the store. Do not use packing peanuts for cushion materials.
