One-day Camp

Our one-day USA Bowling Summer Camp introduces kids to bowling by utilizing instruction in a fun, social environment. Kids will learn the basics of bowling, including etiquette and safety, as well as proper fundamentals that will keep their ball on the lane and knocking over more pins!

Three-day Camp

Our three-day USA Bowling Summer Camp is designed for a newer to slightly advanced youth bowler. On the first day, kids are evaluated by coaches and taught specific fundamentals to help develop their skills and begin improving their average.

Five-day Camp

Our five-day camp is ideal for middle to high school bowlers who are serious about the sport of bowling. Coaches will be on hand to teach everything from physical game improvements to lane play, spare shooting, and more. If you are looking to begin participating in competitive play, this camp is for you!
